Attempted Abduction of a White Wo-

man by a Megro. On Monday the 5th inst., a negro arrived

in Windsor, Canada, opposite Detroit, ac-companied by a white girl 17 years of age, having a child in her arms. While passing through the street, the female showed ovi-

tel, where she now remains. On the after-noon of the same day, the negro accompanied

by four other negroes, visited the hotel for

the purpose of taking forcine possession of the woman, but they were frustrated. The leader then became our agoous, and stating that he knew he was in free country, and as the laws would support him, he was deter-mined to have his "woman." The female was hen called into the room adjoining the bar, and asked if she wished to accompany

the man who laid claim to her, when she stated that she knew nothing of him, and was very glad she had been rescued from his clutches. She stated that she and her child had been deserted by her husband,

and, in consequence, she sought a home at the poor-house in Wayne Co., Michigan. She had not been long in the poor-house

ne soon as the train arrived in Detroit, to convey the woman to her destination, if he

No one remedy is louder called for by the macessities of the American puople than a sure and safe cure for Fevre and Ague. Such a sure and safe cure for Fevre and Ague. Such a sure and safe cure for Fevre and Ague. Such a sure and sure are now enabled, to offer, with a perfect containty that it will a residual the class and wint assurance, founded so proof, that no harm can acte from its use in any quantity.

That which provents from or prevents this disorder mass be of immense service in the communities where it prevails. Preventes its better than cure, for the pulsent escapes the risk which he must run in violent attacks of this ballful distemper. This "Cenn." expels the missmatic poison of Feven And Auth from the system, and prevents the development of the disease, if taken on the first approach of its presuonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the changes. This large quantity we supply for a deliar brings it within the reach of every body; and in billion district, where Feven and Aoves prevails, every body should have it, and the it freely, both for cure and prosection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and extrain more of Intermittents is, that it contains me quintine or mineral, consequently it produces me quinting no colore interious effects whatever no Quinine or mineral, consequently is produces no quiniam or other injurients effects whatever upon the constitution. Those cared by it are left as healthy as if they had never had the dis-

Vever and Agne is not alone the consequence of the minematic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Hoadache, Blindness, Toothache, Earache, Camrih, Asthma, Palpitation, Painful Affection of the Spleen, Hysterica, Pain in the Bowels, Colie, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Curn" expels the poison from the blood, and couse-quoutly cures them all allike. It is an invaluable protection to immigrants, and pessons travelling or temporarily residing in the malarious districts. It taken occasionally, or daily, while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection thus cure, and few will ever suffer from Intermittents, if they avail themselves of the protection this remody affords. Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC

FOR ALL THE PURPOSES OF A FAMILY PHYSIC are so composed that disease within the range of their section can rurely withstand or grade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitallities. As a consequence of these properties, the invalid who is lowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish graits my American Almanne, containing certificates or their correspondings. Conferences, Hearthour, Healtech orising from the ordered Stosacka, Names, Ladicertee, Parallency, Loss of Appetite, Joundee, and other hindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral, FOR THE RAPID CURR OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the Disease.

So wide is the field of its usefulness, and so merous are the cases of its cures, that almosters section of country abounds in personability known, who have been restored from publicly known, who have been restored from alarming and even despirate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is no apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidete to employ for the discussing and dangerous affections of the pulmonary organis that are incident to our climate. White many inferior remodles thrust upon the community have failed and been discarded, this has gained riends by every trial, conferred benefits on the afflicted they can never forget, and produced enree too numerous and too remarkable to be forgetten.
